MUSIC WORTH \$33.60 FOR \$1.50.

"RICHARDSON'S MUSICAL HOURS"

The Handsomest, Cheapest, and Best

MUSICAL MONTHLY.

FIVE REASONS WHY.

FIRST—More Music is given in a single number than in any other magazine published. Each copy contains EIGHT new three-page Vocal and Instrumental pieces, arranged for Piano or Organ. These are all of full music size, and the same that retail for 40 or 35 cents each in sheet form. Thus every number contains at least \$2.80 worth, or \$33.60 in the twelve numbers, for \$1.50.

SECOND—The Quality of the Pieces offered will be found fully equal to any collection of popular music published. They will consist of Songs with Chorus, Ballads, Duets, Waltzes, Galops, Polkas, Transcriptions, &c., &c., selected from the latest compositions of the leading American and foreign composers, and of the average degree of difficulty; in fact just the collection one would purchase at the stores, but at a fraction only of the cost.

THIRD—The Style in which it is issued is acknowledged by all who have seen "MUSICAL HOURS" to be unsurpassed. The cover is of French Granite Paper, with the title handsomely printed in colors. The music is on a fine quality of tinted paper, and entirely separated from reading matter or advertisements—thus rendering the pieces more easily bound at the end of the year, when they form a collection of 288 pages, or 96 choice pieces. As the magazines are issued from our own printing establishment, and under the supervision of skilled workmen, we can guarantee that every note will be printed distinctly, and in the neatest manner, thus avoiding a fault common with a large class of sheet music.

FOURTH—Our Premium to every Subscriber of any 35 or 40 cent piece of music in our selected list. This list comprises the latest Songs and Instrumental pieces published; they are selected from the catalogues of over fifty different publishers. Daily additions are made to this list, in order that a supply of fresh music may be always in readiness for our new subscribers. This music, as well as "MUSICAL HOURS," is mailed *postpaid* to any address in the United States or Canada. If this premium is not desired on subscribing, it may be selected at any future time.

FIFTH—Elegant Presents, consisting of Books, Music, FANCY GOODS, JEWELRY, TOYS, &c., are given to every subscriber who obtains two new names for "MUSICAL HOURS" at \$1.50 each. These gifts are retailed at from 75 cents to \$1.25 each, but by procuring large quantities we are enabled to offer them for only *two new subscriptions*. This, remember, is *in addition* to our music premium to each subscriber. Those who prefer *cash* will receive a liberal commission for each new name sent, after subscribing themselves.

Single numbers, containing eight three-page pieces, with Premium List, Selected List of Music, and full instructions for obtaining subscribers, will be mailed for 25 cents. Or 12 numbers, with lists, &c., only \$1.50—in *cash* or *stamps*.
